WORK EXPERIENCE

EXECUTIVE LEAD THINK INDIA   **June 24 - Present**
   ○ Lead the society in organizing events, coordinating with members, and representing the society at college functions.
   ○ Designed, developed, and maintained the society's official website, significantly enhancing its online presence and functionality over the past year.

PROJECTS

Job Portal   **February 2024- February 2024**
   ○ **Developed a MERN-based job portal** with Clerk authentication, enabling seamless recruiter job postings and user applications.
   ○ **Integrated Cloudinary for resume storage,** allowing users to securely upload and manage their resumes for job applications.
   ○ **Implemented job filtering by categories and locations,** enhancing user experience with dynamic and efficient job searches.
   ○ **Designed a recruiter-user system,** enabling recruiters to post jobs and applicants to apply seamlessly with resume submissions.

Food Delivery Website   **October 2024-November 202**
   ○ **Developed a MERN-based food delivery website** with user authentication, admin dashboard, and seamless ordering functionality.
   ○ **Integrated Stripe for secure payments,** ensuring smooth transactions and real-time payment status updates.
   ○ **Implemented a dynamic order tracking system,** providing real-time status updates: delivered, shipped, and on the way.
   ○ **Designed a cart and checkout system,** allowing users to add food items, enter an address, and place orders efficiently.
